If you can't overcome
the first hurdle when
blackthorn is generated
in the first stage,

then, your body will
be consumed by it.

As such, even if
you fall, you can't
lose consciousness.

Furthermore, you'll
need to spend at least
a day recuperating.

But when that woman
"touched" me...

the blackthorn in
my mind completely
vanished.

If you store her power in
a "vessel" or use it well...

I can't
believe I lost
them again.

Straw hat probably
came to catch
them for the king.

If the king obtains that
power, he probably won't
be affected even if a
problem does arise.

I must capture
them before
the king does.

They're investigating
something, so their next
objective must be...

Lupen! We'll
be busy soon, so
prepare yourself!

We're heading
to the capital.

LONE-MANC

It's time to
plant my trap.

Kairak!!

Wake up!!

Kairak!!

Kairak!!

Place my hand
on his head and...
Purify!!

PURIFY!!!

Please...!!

LONE MANGA!

What
should I do,
Dickon?

**KAIRAK ISN'T
BREATHING!!**

I can't purify
him, either!

**WHAT HAPPENED
TO HIM?**

Lady seems
you must calm
down first!

IT'S ALL MY FAULT.
I MUST'VE STAYED THERE
FOR TOO LONG.

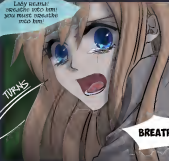

the Sanguina
emotions have affected
the myomas.

Even if, I don't
think it would
be this bad...

Lady Reiner!
Breathe into him!
you must breathe
into him!

THINKS

BREATHE?

yes, we have
no choice...
but to force
them into
him, fast...

Kalrak?
